Home Weatherization Retrofit Program

APPLICATION FORM

As your home becomes more energy efficient, your costs can go down. Enbridge Gas Distribution wants to help customers do just that. How? Through our Home Weatherization Program and Enhanced TAPS energy savings offer.

Home Weatherization Program*

This program includes improvements like insulation and draft proofing.

The program is free for Enbridge customers in financial need, who own or rent a detached home, semi-detached home, row house, townhouse or mobile home, and have a valid Enbridge account.

The benefits of this program include:

- Energy bill savings
- Having an energy-efficient home creates a healthier living environment
- Fewer drafts will make your home more comfortable for you and your family

If you rent, your landlord's pre-approval is required.

You may also be eligible for the Enhanced TAPS energy savings offer* that is FREE to Enbridge customers who need assistance in managing their energy costs.

This FREE offer includes the following energy efficient products for your home:

- Up to two energy efficiency showerheads (installed)
- Programmable thermostat (installed)
- 1 bathroom faucet aerator (installation not provided)
- 1 kitchen faucet aerator (installation not provided)

The benefits of this energy savings offer include:

- Energy bill savings
- Less natural gas use
- Save on your water and sewer bills
